

**RENTON CHRISTIAN SCHOOL &
SONSHINE LEARNING CENTER
WINTER WEATHER SCHOOL CLOSURE
AND DELAY OF SCHOOL INFORMATION**

Please get information via public announcements on radio, TV and the internet about school closures or delays. These announcements are generally made after 6:00 a.m. DO NOT CALL the school or radio stations for information. Answering these calls will reduce our ability to take other necessary action in responding to a weather crisis. All families are encouraged to have a plan in the event school must close before the regular dismissal time.

SCHOOL CLOSURE OR SCHOOLS STARTING LATE

www.schoolreport.org

Please note that we have a quick link to School Report on our school's web page. Please log in at that website prior to a weather emergency so that you can register to receive e-mail updates from School Report to your preferred electronic device.

In case of bad weather, you can expect to hear one of two possible announcements (If there are no radio, TV, or internet announcements about changes, it means we will be operating with regular procedures):

1. Renton Christian School is "closed" today.
2. Renton Christian School is "open, 1 or 2 hours late" based on the 8:30 a.m. school start time.

If school is announced as "1 hour late", school and BASC will open at 9:30 a.m. If school is announced as "2 hours late", school and BASC will open at 10:30 a.m.

When schools are closed for the day, **all** school activities held at Renton Christian School will be cancelled. This includes all scheduled athletic events at home and away and Before and After School Care (BASC).

Messages announcing changes to normal operation begin broadcasting at 6:00 a.m.
